Dry Weight:	30000 lb	Number of Heads:	2

Propulsion

Engine #1

Engine Make: Cummins Hours: 300
Engine Model: QSB 5.9 Power: 355 hp
Primary Engines: Inboard

Engine #2

Engine Make: Cummins Hours: 300
Engine Model: QSB 5.9 Power: 355 hp
Primary Engines: Inboard

VESSEL WALKTHROUGH

Entering the salon from the cockpit there is a large leather sofa to starboard which converts to a sofa bed and a hi-lo dining table. To port is the entertainment center with TV and storage.

Forward and up two steps to starboard is the lower helm station with double helm bench seat. To starboard and down three steps is the galley with refrigerator/freezer, microwave, stove, sink and storage.

Forward and down one step is the cabin area with the guest stateroom to starboard. It features two lower berths, closet, drawers and TV. It also has private access to the guest head. The guest head is forward with shower, toilet, sink and storage and is also accessible from the companionway and doubles as the day head.

Forward is the master stateroom with centerline queen bed, Samsung TV, closet, storage and ensuite head.

The galley floor is natural wood and the head floors are teak. The cabin and salon floors are carpeted with protective runners.

The flybridge is accessed via a ladder from the cockpit to port. The helm is forward and to port. To starboard is lounge seating running the entire length of the flybridge aft. There is also a small refrigerator and a folding teak table. The flybridge is protected by a canvas Bimini top.
